

29th Annual FEF/Trine Golf Outing

Saturday, June 1, 2024

Zollner Golf Course

Trine University, Angola, Indiana

Hosted by the Mechanical Engineering Cast Metals Advisory Board

I WOULD LIKE TO SPONSOR

The Mechanical Engineering Cast Metals Advisory Board of Trine University will host the 29th Annual FEF golf outing at Zollner Golf Course on Saturday, June 1, 2024.

Our continuing goal is to provide student scholarship funding, to assist in providing lab and casting equipment for the Trine campus foundry, and to sponsor industry travel as the metal casting students attend and participate in FEF and AFS functions.

By sponsoring a hole or making a donation, you will help to make this possible. The companies and individuals that contribute to this event will also be recognized on the cart brochure during the outing.

\$225 for each hole sponsored

Make check payable to: **Trine University/FEF**

Please send check to:
