

22nd Annual FEF/Trine Golf Outing

Saturday, June 10, 2017

Zollner Golf Course

Trine University, Angola, Indiana

Hosted by the Mechanical Engineering Cast Metals Advisory Board

I WOULD LIKE TO SPONSOR

The Mechanical Engineering Cast Metals Advisory Board of Trine University will host the 22nd Annual FEF golf outing at Zollner Golf Course on June 10, 2017.

Our continuing goal is to provide student scholarship funding, assist in providing lab and casting equipment for the campus foundry, and to sponsor industry travel for the foundry students as they attend FEF and AFS functions.

By sponsoring a hole or making a donation you will help make this possible. The companies and individuals that contribute to this event will also be recognized on the cart brochure during the outing and during the luncheon following.

\$175 for each hole sponsored

Please send check to:
